

Delmon Group

## Delmon Group Quality Policy

### Our Vision

To ensure a sustainable growth for our group.

### Our Mission

To serve better and faster our Customers in our fields of expertise

### Our Values

Agile, Committed, Responsible, Together - Partner

In the increasingly competitive and regulated rubber industry, Delmon Group and its partners are adapting with agility and commitment to Customers' expectations.

Together, Delmon Group employees are committed to deploy and use Quality tools to "do better and faster".

We aim to continuously improve our Quality Management System in a Responsible approach.
